Remo Sasso

London – United Kingdom

✉ r.sasso@qmul.ac.uk   •   👤 Website   •   🐙 Git   •   🎓 Google Scholar

Education

PhD in Artificial Intelligence and Games   **London (UK)**
Queen Mary University of London   *2021 – 2025*

MSc in Artificial Intelligence: Computational Intelligence and Robotics   **Groningen (NL)**
University of Groningen   *2018 – 2021*

Erasmus exchange semester Intelligent Systems   **Thessaloniki (GR)**
Aristotle University of Thessaloniki   *Sept 2017 – Jan 2018*

BSc in Artificial Intelligence   **Groningen (NL)**
University of Groningen   *2015 – 2018*

Selected Publications

Posterior Sampling for Deep Reinforcement Learning
Remo Sasso, Michelangelo Conserva, Paulo Rauber
International Conference on Machine Learning (**ICML**), 2023, Hawaii [paper, code]

Multi-Source Transfer Learning for Deep Model-Based Reinforcement Learning
Remo Sasso, Matthia Sabatelli, Marco Wiering
Transactions on Machine Learning Research (**TMLR**), 2023 [paper, code]

- This paper was also presented at Advances in Neural Information Processing Systems (**NeurIPS**), Deep Reinforcement Learning Workshop, 2022, New Orleans [poster]

Professional Experience

AI Consultant (Ad Hoc) xDNA   *2019 – 2024*
- Completed projects in image object classification, text classification, semantic analysis, claim extraction, claim-article matching, large language model fine-tuning, and full-stack development.

Founder AIGoalie   *2023 – 2024*
- Machine learning-based football predictor application, involved large data processing, model development, model deployment, full-stack app development and maintenance, over 35.000 monthly uses.

Teacher University of Groningen (NL)
- Reinforcement Learning Practical   *Nov 2018 – Feb 2019*
- Imperative Programming   *Sept – Nov 2018*
- Object Oriented Programming   *Apr – Jul 2018*
- Algorithms and Datastructures in C   *Feb – May 2018*

Awards & Scholarships

- **Gulbenkian Grant** "Boosting Fact-Checking Activities in Europe", 2023 (€80.000)

- Fully funded international **PhD studentship by EPSRC: Intelligent Games and Game Intelligence (IGGI)**, 2021 (£118.000)

Skills

Programming: Python, PyTorch, Tensorflow, Jax, Java, C, C++, R, Git, Latex, Google Cloud, AWS, Javascript, React, Flask, HTML (full-stack), Scikit-learn, Pandas, NumPy, OpenAI Gym, Tensorboard
Languages: English, Dutch, German, Frysk
